

What do you want to experience in Shiga?

Discover Shiga you didn't know! Ninja, Harvesting, Caving and excavation etc.

Travel "Back in time" [All season]

Cycle around relaxing and scenic spots including a famous film location - Hachiman Moat, Hachiman mountain peaks and expansive fields. Enjoy lunch with Shiga ingredients at a local diner and the tour ends at Oki Island, the only island on a fresh-water lake in Japan! Feel Shiga with all your senses.

Ninja Experience [All season]

Cycle through Koka city, birthplace of Ninja. One can experience rice planting in spring, gathering vegetables in summer and harvesting rice in autumn, and seasonal dishes (ex. flowing Somen noodles in summer) throughout the year at local farmers' houses. Enjoy your Ninja experience in Koka after lunch!

Travel "Taga uncovered" [All season]

Explore Taga, famous for its nature and clean water. After learning about fossils at a museum, you can experience a real excavation at a fossil excavation site. You might make the biggest discovery of the century! Enjoy lunch at Japanese traditional house and bike ride to explore the underworld of Kawachi Wind Cave in the afternoon.

Treasure hunting [All season]

About 30 min. beginner friendly trekking to treasure hunting spot! You can discover topaz and crystal while treasure hunting. Find your own treasures! Enjoy a buffet lunch at a local market. You can choose to participate in tea ceremony, stroll through a Japanese garden (Free) or raft the Seta River (+¥2,500 Apr-Oct) for the afternoon activity.

Other activities:

Waterball at Biwako Lake [Early Apr~End of Nov]
Whitewater Rafting at Seta River [Early Apr~End of Nov]
Water Tubing at Seta River [Early Apr~End of Nov]

Snowshoe Hiking at Hire Mountains [Early Jun~Early Mar]
Conoe Touring at Biwako Lake [Early Apr~End of Nov]
Riverbugging at Seta River [Early Apr~End of Nov]
